

## **Consumer trends in Quebecers in 2007**

The results of a survey conducted by Conseil québécois du commerce de détail in cooperation with Géocom Recherche on Consumer trends in Quebec are now available. The survey was made on the Quebec population within September 7 and September 17, 2007.

You will find answers to :

- The perception of the Quebec households on their financial situation
- Buying trends of Quebec consumers in terms of products for the next six months
- Consumer Confidence Index
- Purchases during sales

A copy of the results can be ordered either by calling at (514) 842-6681 ext. 210 or by downloading the [Order form](#) . Please indicate the following reference #07-10-12/A for the publication.
